

Promoting good health & wellbeing for all

VALUE HEALTH AFRICA ACTIVITY/MISSION REPORT

VAHA MONTHLY REPORT CENTER

SUBMITTED BY: DJOMATCHOUA Synthia

DATE: Monday 08th May 2023

MONTH: April

MISSION TEAM: ONGLA Diane & DJOMATCHOUA Synthia

ACTIVITY TITLE: Monthly report for April, Center

Report Control by: Mme ONGLA Diane

OBJECTIVES OF EACH ACTIVITY:

- 1- **Objectives I** discover how the UNHCR contribute to the amelioration of life conditions of refugees
- 2- **Objectives II** create new contacts
- 3- **Objectives III** elaborate a health and emergency risk map for Cameroon

BACKGROUND:

VAHA is a non-profit non-governmental organisation with its mission being to alleviate suffering and improve overall wellbeing.

In the month of March, VAHA Center had as activities

- OPEN DAY at UNHCR (6th April)
- Participation at the WHO workshop on the Tool STAR for the elaboration of a health risk and emergency map

KEY ACTIVITIES CONDUCTED

- 1- **Activity 1** OPEN DAY at UNHCR
- 2- **Activity 2** Participation at the WHO workshop on the Tool STAR
- 3- **Activity 3** Elaboration of a communication plan for a sensitization campaign against NTDs

BREF DESCRIPTION OF EACH ACTIVITY

- 1- **Activity 1** Mme Ongla and I had the opportunity to participate at the Open day at the UNHCR Bureau in Yaoundé where we had the opportunity to be entertained at different shops which each had their special missions. Some of them were: Education, Livelihood, WASH, Health etc.

Promoting good health & wellbeing for all

- 2- **Activity 2** The workshop was all about learning how to elaborate a map made of the different health risks and emergencies in Cameroon. It also had as key role the proposition of various solutions and recommendations as a response to these health situations
- 3- **Activity 3** Elaboration of a communication plan for a sensitization campaign against NTDs

OUTCOME OF EACH ACTIVITY

- 1- **Activity 1** learned some key knowledge of the UNHCR function and their responsibilities concerning refugees
- 2- **Activity 2** Elaboration of map and then proposition of recommendations were being made and a report submitted
- 3- **Activity 3** Elaboration of a communication plan for a sensitization campaign against NTDs
