BREF DESCRIPTION OF EACH ACTIVITY

- 1- **Activity 1** Mme Ongla and I had the opportunity to meet for the first time after months of online work and communication. During our time together, we consolidated some unfinished work, revised our work contract and she gave me some guide lines for the implementation of some crucial points concerning my missions
- 2- **Activity 2** The meeting was all about strengthening the relations between the ministry of Health and its various partners, addressing the various problems facing these partners in importing pharmaceutical goods or inputs into the country and finding solutions or points enlightenment to this problem
- 3- **Activity 2** VAHA sent in their application the WHO Civil Society Commission 2023. This application comprised of filling an application and writing a motivation word to support the application.

OUTCOME OF EACH ACTIVITY

- 1- **Activity 1** Missions all covered
- 2- **Activity 2** Recommendations were being made and a report submitted
- 3- **Activity 3** The application for the WHO Civil Society Commission was received by the WHO Commission Board and we await their response.
